Harvest Church - November 2, 2015

Members Present: Brent Nymeyer, Jay Ashbaucher, Bob Conover, Jack Runner, Don Smith, Cory Engle, Dan Morgan, Jim Neifert, Werner Siebert, Benjamin Gonzales, Steve Strutz, Robert Canen, Glenn Ewart, Jon Oakland

It was M/S/C to approve the actions of the conference cabinet 2015. (see attached).

Don Smith reported that Mt. Carmel Camp is currently seeking 501(c)3 status. They are in process and will update us when more information is available.

Jim Neifert shared the need for BMCM to purchase buses to help deal with the need of transporting campers from outlying churches. (For more information, see the attached request.) It was M/S/C to approve the request in the amount of \$17,000.

Brent shared the need to help fund the new president position at Arrowhead Bible College for the short term. Dale Erbele is the new president and will take the position on January 1. Because of the short time, Dale doesn't have time to raise funds and seeks the conference's support for travel costs (see attached for more information). It was M/S/C to approve the request in the amount of \$8,000, which will be given to the camp to administer. If more is needed, the college can make another request to the conference cabinet for approval.

Jack Runner presented the proposed budget. The proposed budget for 2016 is \$475,000. It was M/S/C to recommend the proposed 2016 budget to the annual conference.

Respectfully Submitted,

Robert Canen
Western Conference Secretary
