## Position Description:

This position will be split into two areas. The first is as a worship pastor. We have a congregation of 150 and growing. We currently have two services, both of which are considered blended services musically. We are looking for a worship pastor to take the lead in this part of our worship, building on the blended service and bringing contemporary and traditional music to the next generation in our church. As worship leader you would also be called on to lead worship in our kid's mid-week ministry and Sunday mornings.

Secondly on the other side of this position you will be asked to help in our family ministries. Along with worship time in kid's ministries you will be called on to help in the youth ministry alongside the current leadership in youth. This is a new ministry in our church that is quickly growing. Also you will be asked to help in our Christian Ed areas of young adults/adult Bible studies and other Christian Education classes as needed.

You will work with the lead and associate pastors as a pastoral team guiding a very strong church in the Glendive area as they strive to serve God and reach out into the Glendive community more and more. You will be needed to fill in as needed in the pulpit, sit on boards and committees as they are appropriate to the ministries you are involved in.

Over all you will be a valuable part of a growing ministry in church that is focused on building and strengthening the Church as God guides us in our community.
