

**MOBILIZATION, Board of**  
**Via Zoom -- February 28, 2017**

**MISSION:** Helping people be mobilized on the mission of Christ.

- **Student Ministry**- Roger Dayton  
Super Summer is changing how it is managed. The youth pastors provide direction and vision through the blender meetings, but the camp (BCC) is now responsible for operations and implementation of the Super Summer program.
- **Missions** - Paul Hansen  
There is mission trip support available to a pastor who has not previously participated in a mission trip to help catch a vision for missions. The Guerreros are available to visit churches in the Fall of 2017. There are mission trip planning resources available from Paul.
- **Prayer**- Rod Griffin  
Prayer Summit is planned for the 3<sup>rd</sup> week in Sept. They are looking into starting it on Monday evening and extending it for additional time for personal or ministry evaluation/planning. They recommend having a “Layman’s Sunday” where the pastor does not have to preach the Sunday following the Summit. This would allow for freedom to connect without the pressure of having to prepare a sermon during the prayer summit.
- **Discipleship** - Steve Hamilton  
The focus has been on providing funds for people attending ministry training events.
- **Women’ Ministry** - Theo Gonzales  
Last years Pastor’s Wives Retreat was a resounding success. It is scheduled for Oct. 13-15, 2017. They have additional funds to support women’s ministry leaders with training.
- **Camping** - no report
- **Outreach** -  
Loren Eder has just been appointed as the new director of Outreach. We have already helped Langdon, Rapelje and Passion with outreach events planned for this spring and summer. There are funds available to help anyone with outreach events.
