

PASTORAL HEALTH, Board of
Harvest Church – November 5, 2012

Team members present were: Marc Johnson, Scott Davies, Don Hardesty, and Benjamin Gonzales. Werner Seibert attended the meeting as a guest.

1. **WHEREAS**, there is consensus that this board expand its focus to include pastor's wives in our interest of crises, prevention, and restoration, to promote emotional, physical, and spiritual health, **BE IT RESOLVED** that this board will work more closely and collaborate more fully with the Board of Women's Ministry to assure that pastor's wives are given the same level of care that the pastors receive whenever necessary.

2. **WHEREAS**, there is often a period of time between a departing pastor and an incoming pastor that can cause a church to lose momentum or direction, **BE IT RESOLVED** that this board will work more closely and collaborate more fully with the Board of Church Health in including options for placing professional interim pastors in churches that would benefit from that arrangement.

3. **WHEREAS**, there is a recognized need for input from the pastors concerning their needs and expectations from this board, **BE IT RESOLVED** that more frequent surveys, phone calls, and face-to-face meetings will be held by this board with the local pastors.

Respectfully submitted,
Benjamin Gonzales sitting in for chairperson Erin Youngs
