

**PRAYER, Board of  
Faith E Church - February 28, 2013**

Members present: Rod Griffin (Chairman), Bob Strutz

A quorum was not present so it was recommended that the proposed actions be given to the Western Conference Board of Administration for approval subsequent to the approval of the Board of Prayer members which will be done by email.

1. WHEREAS the Prayer Summit continues to be an important time of encouragement and rejuvenation and WHEREAS prayer is the life-blood of spiritual health of pastors and churches, BE IT RESOLVED that we continue this ministry with the next Prayer Summit scheduled for September 22-25, 2013. It is expected that all pastors attend unless mitigating circumstances present attendance. BE IT FURTHER RESOLVED that at least two mailings be sent regarding the Prayer Summit. One mailing will be sent to the church leadership of each church in the Western Conference in mid-summer. This letter will be for the church leadership so they will be able to have adequate time to allow and encourage their pastors to attend. BE IT FURTHER RESOLVED that all first year pastors and retired itinerant elders of the Western Conference attend for free and that scholarships be made available where needed.
2. WHEREAS we all are in need of prayer and encouragement, BE IT RESOLVED that a pastor prayer partner ministry be in place by the time the Western Conference's annual conference convenes. BE IT FURTHER that we promote and support the denominations "I-TEAM" by encouraging prayer requests be directed to the conference office (karen@faithe.org) or Prayer Board Chairman (rod@faithe.org) who will communicate the needs to the intercessors in our conference and denomination as needed.
3. WHEREAS prayer is necessary in all matters, BE IT RESOLVED, that we encourage all churches to participate in the National Day of Prayer ([www.ndptf.org](http://www.ndptf.org)) and SEE YOU AT THE POLE ([www.syatp.com](http://www.syatp.com)).
4. WHEREAS it is our desire to provide scholarships and increase promotion, BE IT RESOLVED that we humbly request \$6,000 for the Prayer Board Budget for the ensuing year.
