Harvest Church, Billings, MT - November 5, 2012

**In Attendance:** Jan Hardesty, Theo Gonzales, and Christy Vogel. Dana Worthen and Courtney Luhmann were not able to attend.

**Devotional/Prayer:** Devotional and prayer was led by Theo Gonzales on Matthew 28:19-20- Go and make disciples.

**The Purpose:** Western Conference Women's Ministry in its vision and mission exists for the purpose of assisting local churches in accomplishing its God-given potential of Kingdom expansion by encouraging women in their roles as: follower of Christ, wife, mother, and community member.

The minutes from Spring Boards for 2012 were read and reviewed. As a Board of Women's Ministry, we were pleased with the accomplishments that were made for the year. We were able to complete the packet of information about our Board of Women's Ministry to help pastors and local churches know more about what we offer as a Board at the conference level.

There was a discussion about ways we saw God at work in our individual lives and also within our local churches.

There was discussion regarding ways that we would be good stewards of the monies provided for our Board to minister to local churches and to pastors' wives.

**WHEREAS**, the Women's Ministries is requesting a budget for 2013, **BE IT RESOLVED**, a budget of \$6,000 for 2013 will be used to further the purpose and mission of Women's Ministries.

Theo Gonzales will contact Jack Runner regarding the final financial categories for the budget.

**WHEREAS**, the Women's Ministries has set our purpose and vision in assisting the local churches and pastors' wives, **BE IT RESOLVED**, that we will set our goals for 2013 as follows: to continue to work on our contact base by getting our information packets out to the local churches; to visit our local churches; to work on setting up a retreat for pastors' wives; to find ways to connect women at our Annual Conference meetings; and to continue to update resources for women's ministry at the conference level.

The meeting was adjourned and we closed in prayer.

Respectfully Submitted,

Jan Hardesty  
Secretary for the Board of Women's Ministry
