

**WOMEN'S MINISTRY, Board of
Faith E Church - January 29, 2013**

IN ATTENDANCE: Theo Gonzales, Jan Hardesty (by phone conference), Christy Vogel, and April Fournier. Dana Worthen and Courtney Luhmann were unable to attend.

DEVOTIONAL/PRAYER: Devotional led by Theo Gonzales, Prayer by Christy Vogel.

PURPOSE: Purpose of the meeting was to review our goals set at Annual Conference. Our first order of business was to discuss accepting April Fournier to our Board as she has shown an interest and appreciation for the Board. She has many talents and gifts that our Board can use and talents which are honoring to Christ. She was accepted unanimously.

Our goals: 1) To continue to collect communication information so we can have that in place as we begin to get word to Pastors' wives and Women's Ministry leaders in our conference. 2) Our Goal to get out and each of us personally visit has begun and the reception to that has been overwhelmingly positive. We've gotten useful feedback and information from both Pastors' Wives and Ministry Leaders that will allow us to refine what we want to do in supporting ministries. 3) We began our organization for the Pastors' wives retreat by accepting names as Committee heads and defining duties of those committees.

WHEREAS, the Women's Ministries is requesting a budget for 2014, **BE IT RESOLVED**, a budget of \$6,000 will be used to further the purpose and mission of Women's Ministries. That amount has been sent to Jack Runner and once we get final figures for our retreat, we may need to adjust that amount.

WHEREAS Women's Ministries has set our purpose and vision in assisting local churches and pastors' wives, **BE IT RESOLVED**, that we will set our goals for 2014 as follows: 1) communication to local churches both personally, by mail, and email, 2) Hold a retreat for Pastors' wives before the Annual Conference, and 3) Have some activities for Pastors' wives at next years' Annual Conference.

Meeting was adjourned and closed with prayer. An email follow up with the voting for all so that those who were not present could vote was completed on February 22, 2013. All items were accepted unanimously.

Respectfully submitted,

Theo Gonzales
